

Overview of Severe Asthma

Please join us to explore the science of severe asthma including pathophysiology, guidelines and phenotypes

Presented by:

Anne Marie Irani, MD

US Medical Affairs, GlaxoSmithKline

Sunday, June 7, 2019
7:00 am - 8:00 am

This non-promotional disease state education talk is sponsored by GSK and the speakers are GSK employees. This program is limited to Health Care Professionals (HCP) only. Some state laws prohibit manufacturers from providing meals or transfers of value to HCPs. Please do not accept any meal that violates the rules of states in which you are licensed to practice or the rules of your employer. GSK complies with all state and federal laws including transparent reporting and disclosure of payments and transfers of value to HCPs.
